

Bernard Dalsin Manufacturing Product Announcement

304 SS available in the Bio Vent® Product Offering

Bernard Dalsin Manufacturing proudly introduces 304 SS pipe and components to the Bio Vent® product line.

The new 304 SS Bio Vent has all of the high quality features as the AL29-4C Bio Vent multi fuel venting but at a reduced cost. With the 304 SS product line you will save approximately 20% off the price.

Same High Quality Features:

- **Black powder coat available**
- **Factory installed gasket**
- **One piece elbows**
- **1" Clearance to combustibles**
- **Complete selection of components**
- **10 year warranty for wood/pellet use only**

Tested and listed with Omni Laboratories.

***304 SS is for wood/pellet use only.**

***AL29-4C is recommended for multi fuel use.**
