

# Bernard Dalsin Manufacturing Product Announcement

## Travis (LOPI) Pellet Stove Adaptor added to the Bio Vent™ Product Offering

Bernard Dalsin Manufacturing introduces an appliance adaptor for Travis (LOPI) Pellet Stoves as a new product addition to the Bio Vent™ complete line of components. This new adaptor will fit to the Lopi pellet stoves with the 4" I.D. starting collar.

As with all Bio Vent components, the Travis Adaptor's inner flue is made with AL-294C, super ferritic stainless steel that can withstand exhaust from bio-fuels that can cause extensive corrosion in other types of stainless steel commonly found in competitors' vent systems.

This new adaptor also uses our gasket-sealed connection. This exclusive pre-installed gasket installs in a fraction of the time of other conventional venting products and eliminates the possibility of leakage at the connection point.

Tested and listed with Omni Laboratories. 10 year warranty.

Order #	Description	Carton Qty
71080004TRV	4" Bio Vent Travis Appliance Adaptor w/ Gasket	6
71080004TRVB	4" Bio Vent Travis Appliance Adaptor w/ Gasket - Black	6
