

Pro Form® Two New Style Co-Linear Caps added to our Product Offering

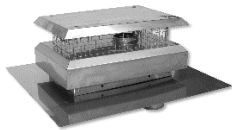

Bernard Dalsin Manufacturing is now offering two new Co-Linear DV Caps to our Pro Form® Direct Vent product line. Each cap comes with a 4" adaptor for the convenience to have a 3"x3" or a 3"x4" cap all in one. Reducing extra inventory cost.

Caps are made with 304 stainless steel for a more corrosion resistant cap.
