

Bernard Dalsin Manufacturing Product Announcement

16" x 16" Support Plates Now In All BDM Stainless Steel Line

Bernard Dalsin Manufacturing announces that going forward all of our Stainless Steel Liner Kits, both the "C" (connector) kits and the "T" (2 piece tee) kits will have the larger 16" x 16" support plate vs. the 13" x 13" that we have included in the past.
